SENNHEISER

PX 100-IIi

The PX 100-IIi is a lightweight, supra-aural headset that is great for travel and outdoor use, as it easily fits into a pocket when folded. The open mini headphones feature a detailed sound reproduction. The new headset with remote unit enables you to control the latest generations of iPod and iPhone, or the iPad.*

No need to fumble with the player – simply push the buttons integrated in the cable to control the volume, play, pause, or skip tracks. Used on the latest iPhone models, the unit also serves as a headset to answer, end, or reject calls and activates the Voice Control.

- Smart remote with mic: enhanced usability for the latest models of iPod, iPhone, and iPad
- Strong neodymium magnets for extremely low distortion; balanced, detailed sound for all types of music
- Rugged and durable: robust steel headband with metal joints, steel-reinforced headband ends, connection to the ear cups tested for durability
